CHAPTER REFERRED TO IN OTHER SECTIONS

This chapter is referred to in section 1907 of this title; title 6 section 231.

**§ 8301. Findings**

Congress finds that—

(1) the prevention, detection, control, and eradication of diseases and pests of animals are essential to protect—

(A) animal health;

(B) the health and welfare of the people of the United States;

(C) the economic interests of the livestock and related industries of the United States;

(D) the environment of the United States; and

(E) interstate commerce and foreign commerce of the United States in animals and other articles;

(2) animal diseases and pests are primarily transmitted by animals and articles regulated under this chapter;

(3) the health of animals is affected by the methods by which animals and articles are transported in interstate commerce and foreign commerce;

(4) the Secretary must continue to conduct research on animal diseases and pests that constitute a threat to the livestock of the United States; and

(5)(A) all animals and articles regulated under this chapter are in or affect interstate commerce or foreign commerce; and
